

2018/2019 Membership Fees

CTAC operates on a September 1 to August 31 season, however Athletics Canada/Ontario bases its age categories on a January to December season with each category being 2 years. For example, a Bantam is 12 or 13 years old, and a Midget is 14 or 15 years old (as of December 31 of the year of birth). Therefore, some athletes will compete in two different categories over the CTAC season. For example, an athlete born in 2004 will be a first-year midget in 2018 and a second-year midget in 2019. An athlete born in 2003 will be a midget in 2018 but will “age up” to the youth category in 2019. See the chart below for details.

2018/2019 Age Groupings

New Members Total	\$1120	\$1155	\$1290	\$1295	\$1300	\$1325	\$1340	\$1340	\$495

* If you are a returning member please email Pam Anderson pam@centraltorontoac.ca to see if you are in a credit or debit position in your Meet Fee account so adjustments can be made to your 2018/2019 fees.

If you are a new member to CTAC for the 2018/19 season you will be required to pay two Athletics Ontario (AO) fees, the 2018 AO Cross Country Registration fee, to cover the 2018 XC season, and the 2019 Full Year AO membership fee, which purchases an AO membership for the entire 2019 season. Returning members only pay the 2019 AO membership.

For example, a new Bantam joining CTAC for the first time in September will pay \$1080 plus \$40; the additional \$40 is the AO cross-country registration fee for 2018. A returning Bantam member will only pay \$1080, as their AO membership from last season is valid until December 31, 2018 and therefore covers the 2018 XC season.

If you qualify for a sibling discount (see details below) contact Pam Anderson for your fee adjustment.

If you need assistance with the fee schedule please contact our club manager, Pam Anderson at pam@centraltorontoac.ca

Program Fee – This fee covers coaching, your CTAC Awards Banquet ticket (held in November 2018) and most seminar fees. Banquet fees are not included in the Cross Country only fee or Fees for Athletes joining between November 12 and June 1.

Meets Fee – This fee is tracked separately for each athlete and is used to cover athlete meet fees throughout the season. Any unused fees will be refunded, credited to next year's fees, or you can choose to donate them to the club. See the CTAC Handbook or Registration FAQ's for full details. If you exceed your Meet Fees account you will be asked to reimburse the club for the amount owing.

Indoor Track / Outdoor Track / Sunnybook Park Fees – This fee covers (as applicable) your Monarch Park Stadium pass and field rental for indoor season training, the Central Technical School fee for outdoor training and the Sunnybrook Park permit fee for cross-country season

Notes: (1) Monarch Park Stadium and Central Tech fees are not included in the cross country season membership fee, and (2) the Sunnybrook Park fee is not included in the fees for athletes joining between November 12, 2018 and June 1, 2019.

Athletics Ontario (AO) Registration Fee – This fee covers registration with the national and provincial governing body.

Minor Track Association (MTA) Registration Fee – This fee covers registration with the Ontario Minor Track Association. This fee applies only to the Bantam and Midget1 (Development) groups.

Sibling Discounts

CTAC offers the following discounts for families with two or more athletes in our program, your program fees are reduced by 10% for the second athlete and 20% for 3rd and any additional athletes in the family. This discount is applied to the athlete with the lower fees.
